Product Features

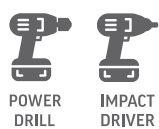

EXTREME TORSION | 50x Life

It provides maximum strength for high-impact and extreme torque loads, making it perfect for metal-to-metal fastening when extreme tightening is required.

- The torsion zone provides maximum strength for high-impact and extreme torque loads.

- Superior magnetism helps the bit grip the screw and prevent cam-out.
- Precision-machined tip to avoid slipping for longer life
- Premium quality S2 raw material for superior performance
- Optimum full-body hardness for longer service life and less wear
- Black oxide finish for extreme corrosion resistance
